#### Message from the President:

"Since 2003 Encompass has built many relationships with an array of customers from Environmental Consultants, to Engineers, to Fortune 500 companies based on mutual business respect and a desire to conduct good business. What does doing good business mean? Providing reliable products and services is paramount to this industry but doing it consistently is rare. Encompass strives daily to provide consistent performance and it's a privilege to be recognized in the Richmond community for creating a positive business environment. It's important for the growth of this industry to lead by example with good business practices."

are local companies that enhance the positive image of small business through service to their customers and community. Various sources of information were gathered and analyzed to choose the winners in each category. The 2008 USLBA Award Program focused on quality, not quantity. Winners are determined based on the information gathered both internally by the USLBA and data provided by third parties.
